

The Montgomery County Land Bank is committed to the health and safety of our clients, our staff, and our community.

Given the evolving situation with COVID-19, we have decided to take measures to reduce risks associated with the transmission by making changes to how we deliver services to our community.

Beginning today, Monday, March 16, 2020, until further notice the Land Bank's office will be CLOSED to walk-ins as we will be operating on a virtual basis. Staff will remain reachable during regular business hours (8 a.m.-5 p.m. ET) via phone and email, and will continue to process applications and manage its programs.

We apologize for this inconvenience, but we must do our part to prevent the spread of the virus in our community, while at the same time doing everything we can to keep our services available and operational.
