Membership on the governing board of a community improvement corporation does not constitute the holding of a public office or employment within the meaning of sections 731.02 and 731.12 of the Revised Code or any other section of the Revised Code...Membership on such governing boards shall not constitute an interest, either direct or indirect, in a contract or expenditure of money by any municipal corporation, township, county, or other political subdivision.

No member of such governing boards shall be disqualified from holding any public office or employment, nor shall such member forfeit any such office or employment, by reason of membership on the governing board of a community improvement corporation notwithstanding any law to the contrary.
