Dayton, OH 45402

Tax Foreclosure Acquisition Program Purchaser Application

APPLICANT ELIGIBILITY

By signing your initials (no X's) next to each statement, the applicant, and any co-applicant, represents and warrants to the Montgomery County Land Bank that the corresponding statement is true and accurate:

	Applicant	Co-Applicant
I am current on all real estate taxes and assessments for properties that I own or that I have an interest in, and have paid the taxes and assessments on-time during the last two years.		
I have not had any building, housing or zoning code violations for any real estate that I own or have an interest in during the last two years		
I have not been part of a foreclosure action (mortgage or tax) on any property that I own or have an interest in during the last two years.		
I have listed all properties in Montgomery County which I own or have an interest in on the applicant property list supplement. If none, I will write "zero" instead of signing my initials.		
I understand the Montgomery County Treasurer charges taxes one year behind. This means for example, if I take possession of a MCLB property on the last day of December, I will be responsible for the tax bill that comes in February even though I did not own the property during the year billed.		
I understand I have no legal right to be on the property or enter any structures on the property for any reason until the foreclosure is over and I have possession of the deed and that if I am found to have removed anything from the property I will be guilty of burglary/theft and subject to prosecution.		
I understand the Montgomery County Land Bank reserves the right to reject any application without cause at any time.		
I understand that I will need to improve the property within 6 months of it transferring to me and that I will need to maintain it. I have received MCLB's document regarding obligations of the new property owner.		
I understand that, as part of the property transfer process, the Montgomery County Land Bank will have me sign a reverter deed. This deed can be recorded if I fail to improve the property within 6 months of acquiring it or do not pay property taxes on this property. <u>If the reverter deed is recorded, the Montgomery County Land Bank becomes the owner of the property again and I will have no legal rights to the property.</u>
